American Heart Association AED Trainer 3-Year Limited Warranty

1. **Warranty Coverages:** The American Heart Association AED Trainer offers a 3-year limited warranty against any defects in workmanship or materials under normal use.
2. **Warranty Period:** The American Heart Association warrants the AED Trainer for 3 years from the date of purchase. Any component of the AED Trainer that proves defective within 36 months from the date of purchase will be replaced free of charge to the owner. The owner is not responsible for shipping and handling fees to replace a defective trainer.
3. **Warrantor's Responsibilities:** The American Heart Association will replace a defective warranted component, as stated in Section 2, free of charge. Replacement of any component of the AED Trainer does not extend this limited warranty or begin a new limited warranty period.
4. **Limitations of Implied Warranty and Damages:**
 - a. All implied warranties on the AED Trainer, including any implied warranty of merchantability or fitness for a particular purpose shall not exceed in duration the respective terms of this limited warranty, which begins with the date of purchase. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.
 - b. The American Heart Association shall not be liable for incidental or consequential damages arising out of the use of AED Trainer or the breach of this or any other expressed or implied warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. All damages awarded for any breach of this limited warranty shall be limited to the amount of the purchase price.
5. **Circumstances Negating Warranty and Other Limitations:**
 - a. The American Heart Association reserves the right to refuse warranty service or replacement when product failure is due to misuse, mishandling, misapplication, accident, neglect, improper installation, modification, use of unauthorized parts or attachments, adjustments or repair performed by anyone other than the American Heart Association or its authorized distributors, or any causes other than defective workmanship or material.
 - b. This limited warranty does not cover abrasion, abnormal use, damage caused by mishandling, neglect, or unauthorized modification. This warranty is void if the AED Trainer is structurally altered.
 - c. Owner must provide proof of the date of purchase and place of purchase to obtain service under this limited warranty.
 - d. The American Heart Association makes no warranty other than as contained herein. No agent, representative, dealer, or employee of the American Heart Association has the authority to alter the obligations or limitations of this limited warranty.
6. **Warranty Service:** To obtain warranty information, contact the American Heart Association or ShopCPR at heart.org/purchaseoptions.
